[Loud by the each other home to death of the form o residence and found him shortly afterwards galloping gaily by 'mead and by copse." He informed him of the honor that had just befallen him, and insisted upon ha immediate return to the council

chamber to be sworn. Sic Andrew answered that he was beginning to enjoy his ride immensely and wished to know from Mr. McGee whether it would not be as well to take his oath of office there and then. The clerk of the Privy Council consented and Sir Andrew Stuart, was sworn in administrator of the Province of Quebec on horseback. Military sports, races, games, etc., were held yesterday afternoon on the old Thistle lacrosse grounds, and a tog-of-war hetween the sailors from the British and French men-of-war in port was one of the events on the programme. This event

had been looked to with much interest by 0.1 0 2 0 2 0 0 0 - 5 12 1 the people of Quebec, and disappointment Antheries: Fanning and Dugdale, Daly and | was general when it was noticed that the British team had not put in an appear-R. HE. ance on the grounds, and then it was 0 0 0 0 0 0 2 0 1 - 3 8 4 learned that they did not propose to do so. The animus between the French and British sailors is well known. A few days ago some British sailors were sitting in the vicinity of Champlain market, when about half a dozen French sailors came along, and some one (whether in the English or French group it cannot be ascertained) passed a very unpleasant re-003000-311 7 mark, and the result was a row in which blows were freely exchanged on both sides. An end was put to the disturb-130221101-1114 5 ance by the sudden arrival of three French officers who ordered their men or board ship. It was feared on this ac-R. H. E. | count that the result of the tug-of-war 0 0 0 0 0 0 0 0 1 - 4 9 4 this afternoon might increase the animus Batteries: Knouff and Boyle, Seward and between the sailors, and it was at the Governor General's special request that 0000002000-213 3 the British team, which was generally
