Capital, \$1,500,000.

Annual Income, \$1,000,000. Canadian Income, \$300,000. Losses Paid, \$3,000,000. LOSSES PAID IN CANADA, \$750,000.

This Company deposits with the Canadian Government \$100 of Approved Securities for every \$100 of Liability, as calculated by Government. This Company has now invested \$200,000 in Canada, and further invests yearly its profits, thereby taking nothing out of the country, and is in that respect virtually a Home Company. This Company employs Five Inspectors for the Inspection of Business and Adjustment of Losses, which enables it to adjust and pay all its losses within from

a week to a for night of fire, the usual SIXTY DAYS CLAUSE BEING WAIVED. The consequence of this promptness is shown by the fact that its outstanding losses at end of years 1884-85-86 were as follows: 1884, \$5,435; 1885, \$2,558; 1886, \$3,170; none of which were in suit.

This Company has paid through its Canadian Branch \$750,000 for Losses, and to Citizens of Kingston \$13,000, which speaks for itself. This Company transacts in Canada the Third Largest Business of all British Companies:

This Company has made on its Canadian Business \$100,000, and this after the above payment of \$750,000.

Property Owners desiring Plain Contracts (so that all may understand), Equitable Rates, Prompt, Fair and Just Settlements, in case of Loss, should insure in the Glasgow & London Fire Insurance Company. 'Rates and all other information can be obtained personally or by letter at the Head Office, or any of the Company's Agents.
