DISTRICT DRUGGIST
 Condensed and Collected into a New, Revised, and Enlarged Edition, a Large Volume, is literally "a gold mine." It has this appearance because the bills, which are the basis of the work, are direct from its proper source into the blood. In connection with this symptom there is usually a condition of the tongue, headache, impurity of the breath, pain through the right side and shoulder blade, dyspepsia and constipation. These and other concomitants of liver complaint are promptly removed by the use of **McAuley's Bookstorol**, which is as efficacious a remedy for jaundice, female weakness, jaundice, and lambo, it tones the stomach, regulars the liver, and after relieving these, causes the bowels themselves to become regular. High professional medicine has been accorded to it, and its claims to public confidence are justified by simple evidence. Price, 25 cents per bottle. Ask Dr. Northrup & Lyman's Vegetable Discovery and Dyspeptic Cure. The wrapper bears a facsimile of their signature, held by all medicinal dealers.
