Fees and Doctors.

The fees of doctors is an item that very many persons are interested in just at present. We believe the schedule for visits is \$3.00, which would tax a man confined to his bed for a year, and in need of daily visits, over \$1,000 a year for medical attendance alone!

BURNETT'S COCAINE Has Received Universal Endorsement. No other preparation possesses such remarkable properties for embellishing and strengthening the hair and rendering it dark and glossy.

A Public Meeting should be called of the citizens of every city, town and village in the Dominion, to consider what should be done to prevent the hair from turning gray—and falling out.

Little specks in the sinuses of the teeth soon grow into appalling cavities, if disregarded. Check advancing decay at the outset with SOZODONT, and the pain of toothache, the wretchedness of eating with unsoothed teeth, and the dyspeptic symptoms caused by swallowing half-masticated food may be prevented.

At all seasons, but particularly during the winter, persons whose lungs and chests are weak should take every precaution against a cough or cold, as the breathing organs, if naturally feeble, speedily succumb to its ravages.
