NOTICE:

This widespread affliction and all kin-
dred ailments are at once arrested by Dr.
Herrick's Sugar-Coated Vegetable Pills,
which are the most effective and
expeditious remedy ever invented. They
eradicate the disease from its source and
give power to the voluntary muscles of the body.

Follows' Compound Syrup of Ergo-
phosphites will not only supply the
wanting power of the brain, but also
cure the various diseases of the nervous
system. It will impart vigour and
promote clear conception to the intellect,
and give power to the voluntary
muscles when exhausted.

It would be a gross injustice to con-
clude that standard healing agent — Dr.
Thomas' Elixer — with the ordinary
remedies of the day, can cure all
diseases of the nervous system. His
remedy is not to be despised, and
is a valuable addition to the medical
arsenal. But it is not a specific for
any disease, and is not a specific for
any disease.
