A REAL TOWN WITH WHICH ALL ARE WELL At QUAINTED.—Its importance was only recognized by the Canadian Pacific Railway Syndicate, which has decided to build a branch of their line from Winnipeg to Selkirk, on the west of the river, in order to connect with navigation. For this the town has granted a bonus of \$70,000, and the road will be in operation by the 1st of August of this year, and arrangements are now being made to vote a bonus for a bridge across the ked River at this point, to make a direct line for through traffic to the west and east. It is the County Town of the County of Lisgar, in the heart of the finest prairie country, well supplied with fine timber, and immediately to the east are the great forests from which a great portion of Manitoba must for years obtain its supplies.
