This indefinable remedy will positively eradicate every question of Nervous Derangement, and drive them away from whence they came, never to return again. It utterly destroys the germs of disease by neutralizing the hereditary taint so prolific in the system, and thoroughly eradicates the diseases, and utterly destroys the cause.

SAMARITAN NERVINE

Cures Female Weakness, Seminal Debility, Leucorrhœa or Whites, Painful and Suppressed Menstruation, Ulceration of the Uterus, Irritability, Nervousness, Inflammation and Irritability of the Bladder. SAMARITAN NERVINE

Cures Alcoholism, Drunkenness and the habit of Opium Eating. Those degrading habits are by the worst evils that have ever befallen suffering humanity. Thousands die annually from these pestilent drugs. The drunkard drinks liquor not because he likes it, but for the pleasure of inhaling and breathing his friends, little thinking that he is on the road to ruin. Like the Opium Eater, he first tries the drug in small quantities as a harmless stimulant. The nothing influence of the drug fastens a strong hold upon its victim, making him or her a confirmed slave. The use of Opium Eating and Liquor Drinking are precisely what ending is in ultimate results, as over-eating first inflames the stomach, which undermines the vital organs until it perishes both the stomach and appetite. So every victim of either form of dissipation is literally and positively sold to the Enemy from, until it consumes the vital force and then dies! Use the Samaritan Nervine, when, in crise "Give, give, give" too deep stomach spoil its own capacity for digestion. SAMARITAN NERVINE gives instant relief in all such cases. It restores sleep, cures the nerves, builds up the nervous system, and restores body and mind to a healthy condition.

SAMARITAN NERVINE

Cures Nervous Dyspepsia, Palpitation of the Heart, Asthma, Bronchitis, Sciatica, Neuralgia, Rheumatism, Nervousness, and all diseases of the ordinary organs for which debility, caused by the indiscretion of youth, permanently cured by the use of this invaluable remedy. To you, young middle-aged and old men, who are covering your sufferings as with a mantle by silence, look up, for cure is yours by timely efforts, and make ornaments to society; and friends in the arms of your Maker, if you will not, don't keep this a secret longer, until it saps your vitals, and destroys both body and soul. If you are thus afflicted, take

Dr. Richmond's Samaritan Nervine

Passing Events

A case of leprosy is reported in a Chinaman at Redwood City, Cal.

Notwithstanding the continuance of the cold wave harvesting wheat is in progress in Georgia.

$3,300 contributed in London and Paris for the Garfield memorial hospital has been received in Washington.

The Paris (Ont.) water works by-law has been carried by a majority of 128. The cost of the works is estimated at $30,000.

The Marquisate of Hertford, from having been almost the richest, is now almost the poorest of English Marquisates, three-fourths of the estate of Thackeray's Lord Steyne having passed by will to Sir Richard Wallace.

Contracts have been signed for the construction of the main building of the People's Church Boston, which will cost $100,000, gathered in small subscriptions from all parts of the country. The building will be the largest church edifice in New England.

A clerk in the government building at New York fell the other day, but a catastrophe was prevented by the automatic catch which stopped it before the car reached the bottom. There were twenty lawyers and one judge aboard, which accounts for the accident.

Kate Claxton, the actress, has a lady visitor at a Cleveland hotel, and the head waiter, mistaking her for a maid, placed her at the servants table. After an explanation had failed to rectify the error, the waiter was thrashed by Kate Claxton's husband, who was fined $5 in a police court.

Jack, a collie, or shepherd's dog, belonged to a farmer who held a farm near Beaumaris, in Wales. The farmer disposed of that holding and went to a farm on the south of Aberystwith. Of course he took his dog with him. The animal, how ever, had grown so much attached to Beaumaris sheep in any part of the world where his master might take up his quarter, but in the neighborhood of Beaumaris. In ten days the animal returned to Beaumaris and resumed his job on the old farm.

Brilliant Scientific Triumph in France and England

It is now recognized by the leading medical men that Dr M. Souvielle's specimeter is the most wonderful instrument of the age for the cure of Catarrh, Asthma, Bronchitis, and all lung diseases. After thirty years used in the leading hospitals, it was proved that 75 per cent of these diseases, by many called incurable, can be cured by the Specimeter, an instrument which conveys medicinal properties direct to the parts affected. This discovery is proving a blessing to mankind and a credit to his name. Many persons in the city of Montreal, and all over the Dominion, have been cured of the above diseases. Below are a few of the many hundreds: Mr. Hill, Montreal, catarrh and bronchitis; Mr. Dellobertville, of the Indian Department, Ottawa, catarrh of many years cured; Mr. Geo. Ager, Ottawa, catarrh and lung diseases, cured. Mrs Smith, London, ont., Medical Detective, cured of asthma; Mr. Geo. Maguire, Toronto, 432 Adelaide street West; daughter cured of asthma. "Several of my family and friends have been cured of bronchitis, asthma and catarrh by using the Specimeter." John P. Whelan, Manager of the Post and True Witness, Montreal. Geo. Wills, Exeter, Ont., catarrh and bronchitis. John Dunn, 8 Robert street, Toronto, bronchitis. J. D. Armstrong, 186 Yonge street, Toronto, catarrh and catarrhal deafness. Thomas Teller, 12 Melinda street, Toronto, asthma, cured. Mr Benj. A. Drake, St. Urbain street, Montreal, for many years suffering from bronchitis and asthma, is now cured. Thousands could be given, but the above is sufficient to convince the public of the merits of the Specimeter. Call or write, enclosing stamp, to M. Souvielle, ex Aide-Surgeon of the French Army, 13 Phillips Square, Montreal. Physicians and sufferers can try it free.
