SAMARITAN NERVINE

Cures Alcoholism, Drunkenness and the habit of Opium Eating. These diseases can be cured by the Samaritan Nervine only when it is used according to directions. Thousands of drunkards have been cured through its agency. The drunkard cannot become one unless he likes it. With the Samaritan Nervine you can end drowning his friends, thinking that he is on his road to ruin. Only a few doses are needed to free him from the craving for liquor. Nothing will do it but the Samaritan Nervine. The Nervine builds up the system, so that nothing else can do. Liquor Drinking are a disease, and the Samaritan Nervine is the only known remedy that will cure it. Over-eating first influences the stomach, which sympathizes with the brain, and then overpowers both the stomach and appetite. In every instance one dose of opium, morphine, laudanum or whisky will make the Samaritan Nervine effective. Will it overcome the habit and free him? Yes. Use the Samaritan Nervine according to directions, and it will. Don't, you give up? Do never mention it to the patient. Don't tell him what you are doing. The Samaritan Nervine gives instant relief to the most distressed. Don't wait. Don't worry. Don't suffer. Don't be nervous. Don't be sick. Don't be miserable. Don't be weak. Don't be weary. Don't be sad. Don't be blue. Don't be discouraged. Don't be sleepless
