during this season of the year. Yet some of our first physicians consider for cleansing his teeth, washing and baththe Live, the principal cause of these dis- ing. Let every one take the Tersian Bala cases, or in other words, when it performs with them when going to the "woods." its functions properly it enables the system to resist or throw of diseases of the stomach and bowels, and where they are deranged the surest cure is to cure the Liver of its dis ease and cause it to perform its proper funcions. There is nothing in the whole world that so quickly at mulates the Liver to a proper performance of its functions as D Sanford's Liver Invigorator which almost stantly checks Diarrics, Dysentry, or an

complais ts of the bowels. The Invigorator acts as a gentle cathartic. yet it checks all leosene s of the bowe's from the time it is taken till the regular operation when the cause of the complaint is removed. the liver is invigorated, and heath som follows. The Luvigorator may be taken with perfect eafety in all cases of Dysentry, as it has been tried and used for years for such complaints by a largely practicing physician. FOR DISEASES OF THE LIVER.

There are hundreds of remadics sold at every | and no one can doubt. Drug Store, purporting to cure, each advertised as the very best ever known, til we had | I TIVE -We call the attention of ad old & nest taith in them all, but there is one excep- | young to this wonderful preparation, which |
