> TO THE MILLION -Prof Wood, of Si Louis, has after years of deep study and untiling tracarch, succeeded in presenting to the public an article superior to any now n use, and indeed it is truly a wonderful incovery--- we advert to his Hair Restorative; the only article that has been cou pletely successful in cheating age of his grey locks, removing dandruff, itching, sorofula. &c. It restores the gray-head to more than the original beauty; adds new lustre to looks already luxurant; having the effect on coarse, harsh ham to render it glossy and wavy; fastens permanently hair that is use or falling, and many other qualities

The pride of mankind is singularly developed in the keeping and arrangement of the hair; perhaps from the fact that it is the only position of the human body that we can train in any way we choose; how important then, having this portion left to our care, that we should use all the means scrence has placed in our hands to render at beautiful and permanent. If you would have beautiful hair, giosay hair, hair with its ratural color elegantly preserved to extreme old age, don't fail to purchase Wood's Hair Restoraure - Caily lows Ginnette.
