SPECIAL NOTICE. which we copy from Notes and Queries :- | this date. "There is in Rome a family bearing the patronymic of Frangipanni, as famous in Italy as the Clantagenets and the Tudors in England. The origin of the name of this family is traced ic a certain office which an ancestor filled in the church-that means 'broken bread,' and is derived from ! Frangi, to break, and Panus, bread. Hence we have the Frangipanni puddings, which good housewives know are made with broken bread. One Mercutio Frangipanni, who lived in 1493, was a famous botanist and l traveller, famous as being one of the Colur bus expedition when they visited the West India Islands. The sailors, as they approached Antigua, discovered a delicious fragrance in the air. This, Mercutio told flowers. On landing they found vast quantities of the Plumeria Alba, in full bloom, rendering the air redolent with rich oder, and from this plant, which the present habitants of Antigua call Frangipanni flower, is distilled that exquisite fragrance which is now so popular in fashionable cir.
