Launch of the Great Eastern a Failure

\$400,000 in Specie.

NEW York, Nov. 16. The steamship Ariel arrived this morn with \$400,000 in gold. Flour had declined 6d ...

Prime Wheat had advanced &d. ore had declined 6d. Provisions dull and declining. Groceries nominal. Money unchanged but active. Consols firm at 59 5-8.

Political news is unimportant.

The attempt to launch the Great Easter. was a failure. was completed.

SECOND REPORT. The Ariel was boarded off Cape Race of Friday night by the new yacht of the Associated Press.

Washington, Nov. 14th. It has been ascertained that Great Britain has never recognized the jurisdiction Costa Rica over the River San Juan - a Rica should have the right of navigation for between the two governments. None respecting the Transit Route, are sanction ed or appr ved of by Great Britain.

Several of our contemporaries have anneunced the resignation of the Hon Mr. Tache, which was declared to have taken i place on Thursday last. There was cerof official life-but so far as we could learn | Music Store, and at the British American | who are troubled with any derangement the report was unfounded - Pilot.

NEW York, November 14th. SPECIA MOVEMENT BETWEEN THE UNITED STATES AND ENGLAND.

Although the Fulton, from New York, has brought £10,000 for London, itappeare that some amount, perhaps to the extent of £150,000, chiefly in sovereigns, will be despatched from Liverpool by the Arabia. quisite perfume. Its name has a history nights, and too weak to stand at his case, universally to be a good and safe remedy for bures and be expected during the next week or two.

the usual modes of action.

General Walker, the renowned filibuster, ly a government vessel and employed as a rendering the air redolent with rich odor. transport. She was recently advertised for and from this plant, which the present insale by the United States Marshal at New | habitants of Antigua call Frangipanni flow- | Perfumery. Orleans. A correspondent at San Juan del er is distilled that exquisite fragrance Norte, writing under date of the 6th ult., which is now so popular in fashionable cirgives a gloomy description of the condition of Nicaragua under its present rulers. Freedom of speech, much less of action, is | changed to a permanent black or brown entirely unknown. A word, almost a thought, is visited with imprisonment or Electric Hair Dyes which now supersedes exite. Several natives who favored the all other atticles of a similar nature. This, tive " of Prof O. J. Wood & Co., of St. government of General Walker, have been with Bogie's Hyperion Fluid, for the hair, Louis. It will be seen that he has numershot, some are in prison, some are working and other preparations, may be had of all one certificates from persons of the highest Near Brockville, on the 7th inst., Aurilla, and with ample Clinical facilities, at the Comwere merely suspected of being friendly to the Americans, have been banished from the country. The people, he says, are greaning under heavy forced contribution to maintain an insolent soldiery in their peaceful villages, and everywhere a sentithe people against their oppressors .-Thousands are offering up prayers for the conviction that the American cause has government is the only thing that holds out | who can read should risk a danger so easi- | ington (Ia.)
