SATURDAY MORNING, JAN. 12, 1850.

know not. Some say, that Lord Elgin is going home, and that Lord Saltoun, a military his appointment to the Enterprise, more than 40 man, is coming out to succeed him. Certainly, if the Ministry rule the country, we do lieutenants. His promotion cannot, therefore, be not see any necessity for continuing the use- called that of advancement for his late perilous less pageantry of a Governor General, with a and responsible service as first heutenant of the Enterprise. Commander M'Clure brorcover salary of £77777 a year, and nothing to do for served in Sir J. Back's expedition to the Arctic. Brien :-The Commander of the Forces, with an regions. He passed his examination as a lieutenant in 1830, and after serving seven years as a addition of £1000, per annum to his pay, could mate received his commission. As a lieutenant as well sign the official documents, as any he served in the Hastings, then in the Ningara, on Civil Governor of them all; and next to the election of our own Governor, this would be the misfortune to capture in a night expedition the wisest and the cheapest mode of proceeding. Therefore let Lord Elgin go home, and Lord Saltoun come out say we.

Others assert that Lord Elgin is about asperial project for dissolving the present Conrica, with representation in the Imperial Parment, but what that something is we know,

From the Official Gazette:

DEATH OF THE QUEEN DOWAGER. COLLEGE OF ARMS December 4th, 1849.

The Earl Marshall's order for a General

Dowager. In pursuance of Her Majesty's commands these are to give Public Notice, that upon the present melancholy occasion of the death of Her Majesty the Queen Dowager, all persons do put themselves into deep mourning. NORFOLK, E. M. (Signed,)

GOVERNMENT HOUSE,

Toronto, 7th January, 1850.

By command of his Excellency, the Governor General.
