er in various Diseases, and there is scarcely v Medical Journal either in this country or in Europe, which makes its appearance without the statements of various cases, showing some new affects of these wonderful agents or corroborating previous experience of their beneficial use. The CHEAPEST RATES OF ANY OFFICE | naces, Registers for Hot Air Pipes, of good Detailed Prospectuses and every requisite in inventor of the Galvanie Embrocation has great pleasure in heing able to state, that a majority of the most distinguished Physicians at New York, constantly recommend this Embrocation in their practice, and from many of them he has received the kindest testimonials of approval and recom mendation. Agent for Kingston, JOHN MEAGHER.

Druggist King Street. HEAR OF THE OPINION OF A PROFES-DICALJOURNAL, IN 1847.

In various local diseases. I have tested the effiof what description, he found the Embrecation. ation of caustic. When pain and throbbing only cants, can be seen. existed, one or two applications of the Galvanie Embiocation, cut short the disease, and where not only checked the progress of the disease, but as follows:caused the deposited matter to be absurded. Not For an Assurance of £100 brocation was applied before superation took National Loan Fund, place; as d even then the pus was much less in Britannia Assurance Co., quantity, then w tere poultices were used. In acute inflam ion of he Joints it was more efficacious than any of the ordinary, local applications over the knee-u the sain be delicate, it may be applied, one half the stre igth, diluted with spirits of camphor, and the strongth increased as required. When the hip is affected, the Galvanie Embrocation might be painted all around the upper part of the tigh and groin. In gout its appliper part of the tigh and groin. In gout its appli-cation cuts short the attack, and in anomalous ON the First of September, will be pub-lished, part III of the National Atlas, pains of the joints, supposed to be gouty or rheumatic, its effects has been marked. In chronic Canadian Edition. inflamation and enlargement of the joints, such as the hip and knee, the Embracation is extensiverepeated once or twice a day, according as the France, New Zealand case may require. In the ancle or wrist, when the enlargement is of old standing, the Galvanie | Embrocation has never failed to cure-In scroufulous swelling of the glands, it either resolved the inflamation and caused absurpation of the morbid deposits, or of limiting the formation of the matter, and assisted in the cicatrizing of the sore. In Chilblains, Dr. Sherwood's Galvanie £100, for the whole term of Life, the rate de- and beyond the boundry of the surrounded increasing at the expiration of every. Fath Year, flamation. This must be repeated daily for some until the Twentieth, inclusive, after which pe time, and the affected parts should be immersed every night in water, as hot as can berne. When the ulceration looks healthy, and the skin has !lost its livid color, the Embrocation may be discontinued. In Burns and Scalds, it appears to act as in Erysipelas; when the integrunents are not | destroyed, althoug the cuticle may be in blisters. one or two appareations of the Embrocation subdue the pain and redness, after which the parts only require to be kept from injury. Lastly besider these affections, this remedy has been used? foul olcers, fistulous openings, gouty and theuma tic swell ngs of the small joints from thickening of their ligaments, malignant warts, spugloins, the stinging of wasps, discuses of the agine. united fractures, dissection and wounds. J Giotre, Dr. Sherwood's Galvanic Embrocation i Just received by Express from New York.

a perfect remedy. The parts should be bathed every day, well rubbed with the hand. As to the efficacy of Dr Sherwood's Galvanie Embrocation in nervons diseases, the testimony borne by many eminent Physicians would be If it be preferred the unpaid seven ha'f Premiums conclusive. It has removed paralysis and epilepsie. This Embrocation enters, as we have seen the mass of blood, modify the condition of that fluid, and in this manner exert a new impressiv upon the capillaries of the diseased portions of the | sents. For sale by dermoid system. We have often employed the Embrocation in all these cases with succes, and similar testimony has been afforded by Physicians. In several cases of chronic diseases of the Liver. attended with Jaundice, Dr. Milligan found the particularly benefited by the use of Sherwood's bly be received in payment. Embrocation and the diseaset have always! yielded to this remedy when all thers have failed. When apylied over the parts affected, in Bronchitis all affections of the lungs and chest, we have found the discuse to yeald by o few applications The Embrocation should be applied adoubt the neck and chest, kuring the proxim of coughing and immediate relief will be obtained.
