A MILITIA APPOINTMENT .- During the Editor's present absence from home, on a collecting trip, he has been Gazetted as Quarter Master to the Third Regiment of Frontenac Militia. To those who are uninformed in these matters be it known, that Quarter Master is a rank between a Sergeant and an Ensign; something in the gentlemanly line, but yet not quite a gentleman. Now, as Dr. Barker is a man upwards of hity years of age. has been a resident of Canada for nearly twenty years, and is moreover the oldest, or nearly the oldest, member of the Canadian Press extant, this appointment of Quarter though not the lowest, as he had the county Master mast be considered by him and his Standard in his possession, and that it would family as highly honorable and complimentary! But it unfortunately happens, that Dr. another sett. Barker is a little bit of an Annexationist; that is to say, had the Imperial Government been favorable to the movement, he would have had no personal objections to it. As it is, like a prudent man, he has backed out. Mr. Thibodo informed him that he would not "The repeal of the Navigation Laws has had no sails, masts, rudder or oars for it.
