MR. CORDEN AT SHEFFIELD, -- A public meeting was held on Tuesday last, in the Music-hall, to receive Mr. Cobden, the member for the West Reding. The spacious room which will accompodate about 2000, was most densely crowded, and hundreds wen away unable to obtain admission. The hon. gentleman was surrounded by the most distinguished and influential Liberals of the town nancial reform, and an extension of the franchise, were passed. Mr. Cobden, in the course of his observations on the movements of the Protectionists, said: - There is a gentleman in the room here, who showed me before I came in, a curiosity in the aute-room. He has brought with him a penny loaf which comes in competition with their gains. There was made in 1801. (Laughter, and cries of speak particularly of the railway connecting " Show it.") The loaf was handed to Mr. Cobden by Mr. Bnis, of Wentworth, along was about four times the size of the former. Now, this is a loaf made in January, 1801. the weight is 24 ounces; and the quartern loaf of 34 pounds sold at that time for 1s. 104. This curious specimen of protected bread is day. The free trade penny loaf which was bought to-day, was made in January, 1850. weight is 81 ounces, and the quartern leaf of ed. In the time of their prosperity, they in occasion should require it - London Punch. 34 pounds is now sold at 5d. It's 5d. against general appeared to regard their profits more 1s. 101d. (Cheers.) Now, gentlemen, it as a regular income than an uncertain continyou can go back to that size of a loaf for a gent gain. Large sums were spent in equippenny-if you can restore the times when a lages and entertainments, and a style of living penny loaf was sold of this size - (laughter) -- | why then you will place the landed interests of this country in the most happy possible condition. They will be quite satisfied then .-But I think I may say that I have the unanimous vote of this assembly in favor of the this, however, Mentreal did not escape the found sufficient in 1835. He did not believe who secured shem at 20 per cent premium ger, without a reform by which the people of good, profits were high, but tew laid anything this country may have a more thorough control over their representatives, and they must not talk of an extension of the suffrage, unless they capital to resist it.
