MAIL ROBBER ARRESTED.

The Sheriff of the Midland District having received information of a robbery committed on the Mail by a person of the name of Mills. Postmaster of Higginsburgh opposite Corn wall, started in pursuit of the delinquent a few days ago. When he reached Brockville, he there met two men in pursuit of him, whom he advised to proceed into the interior of the country, while he returned to Kingston to keep a look out. It seems that the pursuers struck his trail somewhere back of Brockville, and kept it till they ascertained that he was comfortably lodged in an Inn in this town.
