Consumption Cured. Oleanse and Strengthen. Consumption can be cured. Bron chitis Consumption, Liver Complaint, Colds Catarra Coughs, Asthma Spitting Blood, Soreness in the Chest. Hectic Flush, Night Sweets, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can !

Mpitting Blood. New Yurk, April 28, 1847. Da. Townsend .- I verily believe your Sars-parilla. has been the means, through Providence, of caving my tife. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilita ted and reduced, and did not expect to live. I have only used your Sarsaparitla a short time, and there has a wonderful change been wrought in nie. I am now able to walk all over the city. I raise no blood and my cough has left me. Your can well imagine that I am thankful for there results. Your obedient servant.

over the knee-if the skin be d licate, it may be women, and children, kept constantly on matism that Dr. Townsend's Sars parilla has cured. The most sever and chronic cases are 'cekly eracicated by its extraordinary virtues. James Cummings, Esq., one of the assistants in the Luna

tic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter. Bluckwell's Island, Sept. i4, 1817. Dr. Townsend-Dear Sir: I have suffered terribly for aine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the most distressing pains, and my limbs were terribly swollen. I have used four bottees of your Sarsaparilla, and they have done me more than a thousand dollars worth of rood. I am so much better-

indeed I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully, JAMES CUMMINGS

Femnle Medicine. dr. Townsend's Sarsaparilla is a sovereign and speedy care for incipient Consumption, Barrenness, Prolapsus Uteri or Palling of the Womb, Costiveness, Piles, Leucor rheen, or Whites, obstructed or difficult Menstruation, ontinence of Urine, or involuntary discharge thereof and for the general prostration of the system-no matter whether the result of innerent cause or causes produced alubicus locality in the Province, recomby heregularity illness or accident. Nothing can be more surprising than its invigorating effects on the haman frame. Persons of all weakness and bassitude, from taking it at once become robust and full of energy under its influence. It immediately counteracts the nervolessness of the female. frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature. exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable cine, have been blessed with fine, healthy offspring. It has been expressly prepared in reference to female com plaints. No female who has reason to suppose she i proaching that critical period. " The turn of life, any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by weing this medicine. Nor is it less valuable for those who are approaching woman the blood, and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which

Great Bl . lag to Mothers and t hildren. It is the safest and most effectual medicine for purifying the system, and relieving the suffer ugs attendant upon child birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the fond, these who have used it think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth. In Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn Vomiting, Pain in the Back and Loins, False Pains, Hemorchare, and in regulating the Secretions and equalizing the circulation it has no equal.
