" Opifer per Orbam Oteor."

SATURDAY MORNING, MAY 18, 1850.

In making our remarks upon the Pententiary, and particularly about that vetacious gentleman, Mr. George Brown, we have generally been in the habit of referring to the celebrated Report of the Feather Breeched penning our last article on this subject. Since then we have again opened the great Book, clothing and travelling expenses to one hunand shall give the gentleman the full benefit died discharged convicts, less than in the last of his own statement, although with Messts. | mentioned years, thereby decreasing the pro-Thomas and Amiot, we "should be very sorry portionate expens s of the Penitentiary, and to be answerable for all Mr. Brown writes." Ishawing the amount actually expended in

mind that in the latter year the Penitentiary | deal." was under the influence of the Commissioners. when there were about one third more pris- eight dollars per diem for looking on. erring rule we before mentioned, as we shall period, waste, on one of which occasions he Hone I. in the number of convicts at the two periods, George Brown. free use of their limbs for many hours, and hun. we put it to the public to say which of the punishments, the raw hide or partial starvation) is the most merciful, and we feel satisfied that |
