TUESDAY MORNING, JUNE 18, 1850. THE LAST LETTER FROM THE

EDITOR.

TORONTO, June 14, 1850. MY DEAR WHIG,-

this, the last letter I shall write during the bearer of, still I think it better to pen down

the every-varying scenes of this Camera-

obscura life.

I returned from Hamilton to be in time for the debate on Mr. Price's Resolutions on the matter was postponed. I have not attended the Reporter's Gallery in the House of As-It was my good fortune to be present on the nadians in the House would have carried the motion dead against the Ministers, had not their French allies come to their aid. This tion they vote for, so that the matter does not morality. She was condemned to death. concern their own country, and that it is in accordance with the well understood wishes THE NEW CUT-RIGHT HOURS FROM LAKE TO LAKE.

It was quite evident to the meanest capacity, that in the argument the Ministers and On the contrary, the speeches and arguments in favor of the production of the papers | To the hon Wm. Hamilton Merritt. were all brilliant and clever. The speakers to allow them to go unpunished. The mover's the result of your trip. Aware of the difficulties the result of your trip. Whose attentive consideration of their prayers be all the elite of the white society of the capital, raide.—This Branch is still enabled to maintain in this instance, and full acquiescence in as well as a fair sprinkling of the leading colored its engagement with its Travelling I fissionary, in their requests, give Them perfect assurance gentlemen and their ladies, including, of course, Mr. Casy, the highly accomplished barber; Mr. Shad, the wealthy resturant; Mr. Carroll, of the State Department, and their respective ladies. The general turn-outs of the foreign ministers at Washington are decidedly shabby, and we hope the Imperial Black Envoy from Hayti will introduce more style and dignity, and a due order, of diplomatic ticquitte. It would be a glorious sight to see him to thing along Pennsy Ivania avenue . to ward our gorgeous Capitol, in a superb carriage drawn by four milk white horses, with white coachmen, footmen, postboys, and outriders, followed by his attaches on horseback, glittering like their master with gold, their breasts decked with diamond orders, their chapeaus, epulettes, swords of the most costly kind, and the whole ebony le gution bowing good naturedly and condescen ingly to the resp ctable a hite women on the sidewalks, whom they had been introduced to at d f-

> cated himself in Washington, he would probably find it agreeable to his own inclinations, and those the summer on Staten Island, ot elsewhere in the State of New York. The Italian Opera is open in this city, and he and his lady would be delighted with the artists, the music and the highest cir cles of white fashionable people, with whom he would doubtless be all the rage; and If he gare The topic that absorbs all interest is natu- magnificent parties, he would soon stand A.
