NEW YORK, June 29, 7 P. M.

The City of Glasgow steamer has arrived. The Viceroy went ashore on Tuesday evening on Shag Island, the weather being thick. When her leaks are stopped hopes are entertained of getting her off.

The steamer Pacific was boarded at 3 o'clock in the morning 100 miles from Halifax, 11 hours out.

The commercial news is favorable.

Later advices from India are received, and are unfavorable in a commercial point of view. The commencial intelligence from China was not regarded as favorable.

The notitical news from England is of considerable importance. Repeated efforts of Lord Palmerston to arrange the Greek difficulty with France, and, after several postponements in the British Parliament the question was finally brought up and the Ministry defeated. Their resignation in con-

s quence of their defeat was hourly expected. Commander Lavelette, ordered in command of the South Pacific Squadron, was with his penant aboard the U. S. frigate Rantan, Capt. James, N. H. The steamer Gnadalquiver, Chagres, packet caught fire-the cabin and furniture was destroyed. The damage is estimated at \$20,000.
