TURKEY .- The Porte is disposed against foreign influence, and well disposed to the United States.

PRUSSIA .- The King is fast recovering from the attempt on his life. His attempted assassin is pronounced insane by several distinguished physicians, and it is doubtful whether proceedings will be comenced against him.

Rome .- Revelations are given of an attempt to assassinate the Pope, which was prevented by a rain.

The Pacific arrived at 84 o'clock this morning, having left Liverpool on the 19th with about 60 passengers. Up to the 19th nothing was known of the intentions of the English Ministry. Lord Stanley prefaced his motion on the Greek question with a speech of three hours duration. The Marquis of Landsowne defended Lord Palmerston. . the It is rumored that the Bishop of Exeter, in disgust at the termination of his controversy

with the Rev. Mr. Gorham, is about to secede to the Church of Rome. The Royal Mail Steam-ship Company has been defeated in the action of the owners

of the Charles Bartlett, run down by the Luropa last year. The growing crops throughout England and Ireland are reported universally promising.

Parts. M. Theirs has returned and i considered dangerously ill. The debate as to the President's salary has not yet commenced. It is said the Ministry will resign in the event of the rejection, and the President will accept The Tuscan Minister in Paris left for Lon-

don, to induce Lord Palmerston to withdraw the c'aims of indemnification in favor of British subjects who suffered during the seige of Tuscany.
