Admission-1s. 3d. Children under 10 years of age, half-price. Amongst this great Collection, which is the largest ever Exhibited in America, is the RHINOCEROS; or, THE UNICORN OF HOLY WRIT; the first and only one in America since 1836. The great difficulty in capturing this huge and savage creature, together with the almost impossibility of keeping him alive in a climate so uncongenial to his habits and constitution, renders the exhibition of a living Rhinocero, the greatest curiosity in the Animal Kingdom. Also, the WHITE POLAR BEAR, the only one in America; which is considered the most rare of all animals kept in a temperate climate for exhibition, they being only inhabitents of the most Frigid Zone.

In this great collection of animals, will be seen FOURTEEN LIONS, of the finest specimens from different countries, some of which were presented to the renowned VAN AMBURGH, by Her Majesty, Queen Victoria, in his recent tour through Europe. The Monster Elephant COLUMBUS, the largest in America, weighing 10,730 pounds. Also the beautiful Eleghant TIPPOO SULTAN, which has caused such a great sensation all over Europe, will go through a variety of performances, such as Waltzing, Balancing, Ringing the Bell, Creeping on his fore-legs, Walking over his Keeper, Picking him up,

Drawing a Cork from a Bottle, &c., &c., &c. Rudimentary Treatise on the Dramage of Dis-tricts and Lands, by G. D. HIDERALGO, the LION TAMER, will give a performance in a Den of Wild Animals,

Separate, and altogether different from Mr. Van Amburgh's, making Two Grand Animal Performances in the same Exhibition. Many other Performances will be given in the course of the Exhibition, such as PONIES, MONKEYS, &c.

A tall description of the Animals, which the great experience, enterprise, and resources of the Proprietors have enabled them to bring together in one large and splendid collection, will be found in the Bills, at the principal Hotels, previous to the arrival of the Company. The Company will exhibit at Mallorytown on the 26th & Gananoque on the 27th July. Kingston, July 16th, 1850. B. J. HUNT Agent.
