NEW STEAMBOAT ARRANGEMENTS.

We sincerely regret being obliged to state. that the "Through Line," that line steamers which we fondly hoped would have commanded universal support and patronage, is about to be discontinued, and the fine vessels which compose it, laid up for the remainder of the season. The travelling business has beenfound not sufficient to support two Lines at full prices; and so, after mature deliberation and due consultation, the steamboat owners have determined to lay up one the prisoner was asked what he had to say to better disposition to proceed with the public Line. Consequently the Passport and New the charge. He replied that it was true he business, and the legislation required by the Era will no longer make their weekly trips, thin stick, but he added emphatically, in al- country. and the Comet will become a regular Freight Jusion to the witnes, those men cannot prove | The telegraph reports relative to the move- but it is supposed he acted for some New York steamer in the business of Messis.
