DEATH OF HIS ROYAL HIGHNESS THE DUKE OF CAMBRIDGE.

Prom the Liverpool Conrier, July 10.

We have th's week the mounful duty to announce the death of his Royal Highness the Duke of Cambridge, youngest son of the late King George III, and uncle of the Queent, His Royal Highness expired shartly before 10 on Monday night, at Cambridge House, Piccadilly, after a short and printul illness.

It appears that his Royal Highness was attacked by indisposition on the 13th ultimo, with cramp |

Mr. Hingworth, and it was judged up to the last | ill-fated lad was between 11 and 12 years of enced, but we are unable this morning to go advisable to refer the bill to a select commit- Dr. Cornery's Concentrated Syrupor Sarsapafew days that he would recover, although suffering age, the son of a laboring man named Coyle, into details or give any estimate of the extent tee to ascertain that point. from loss of appetite and much debility. The who thus, without a moment's notice, was of the loss or the amount of the insurence. Royal Duke recently became so much debilitated deprived of a promising boy. Search was nourishing substance on his stomach, that he afterwards made, and the mutilated remains continued to sink rapidly during the last four and were discovered. The bear was accompanied twenty hours, until, at the above mentioned hour, his Royal Highness expired without a struggle. Her Royal Highness the Dutchess of Cam-

bridge, who, during her royal husband's illness, Menklenburgh-Strehtz in Germany.
