"'Opifor per Orbam Dicor."

THURSDAY MORNING, AUGUST'S, 1950.

DRAMATIC READING .- The admirers of the great tragic poet will be greatly delighted this evening, by attending at the Court House, to hear the celebrated Mi. Fleming, a gentleman as intellectual as he is modest, read the tragedy of HAMLET. Mr. Fleming's reengagement at Toronto will prevent him from Andrew's railroad; the hill to extend the per on the minutes. It is with pain we revive bout \$10,000. devoting more than one night to Kingston .- riod for completing the Telegraph of the Bri. the memory of these calumnies, which apply This announcement is positive.

REMOVAL OF TROOPS.

From the following despatches laid before the Legislature, it would appear that in future the expenses of the troops when removed for Provincial purposes, are to be defrayed by row. the Provincial Government.

29th December 1848

EARL GREY TO EARL ELGIN :-Canada from any possible attack from a foreign, ment of that officer's services. enemy that so considerable a force is maintained in that part of Her Majesty's dominions: an-Her Majesty's government consider it of vital erty agains any depredations and maintain internal order in the province is the duty of the po-

No 2. Downing Street, January 4 1850. EARL GREY TO EARL ELGIN:

This despatch acknowledges the receipt of a despatch of Lord Elgin, announcing the departure of the troops for Mica Bay, and then proceeds to say ;--

same be understood that the cost of sending the read for the first time, and ordered to be read statesmen in the country, he has left an emtroops is to be borne by the Provincial Government, a third time to-morrow. by whom permission was given to these persons to search for minerals.

No. 3.

Downing Street, 20th June 1850. EARL GREY TO EARL OF ELGIN:

My Lord-I transmit to you herewith enclosed copies of two instructions which I have had occasion to address to the Commander-in-chief, and

it will be equally competent for you to require, if necessery, the retention of that corps for maintaining the peace of the city. In this case, however, I conceive that either the government, or of guartering the regiment.
