\*\* Opifer per Ortem Dicor.' THURSDAY MORNING, AUG. 22, 1850.

No Telegraph Report last night, the line being down between Coburg and Toronto. is strangely suspicious that this invariably

happens on the arrival of a steamer.

LETTERS FROM THE EDITOR.

MONTREAL, Aug, 19 1850. MY DEAR WHIG:-

I returned from Quebec on Sunday morning | ANOTHER AWFUL CONFLAGRATION and shall leave here to-morrow for the Caledonia springs; thence to Bytown and Aylmer, and be home by the end of the week. So much for my whereabouts.

The Montreal merchants complain sadly of and other small craft of Lake Champlain, to a columns of the Times of the 16th inst :number exceeding thirty, are allowed to come into the Canadian waters for cargoes, pass through all the canals up to Bytown, for sawed lumber, to the serious injury of the Canadian Forwarder; while every impediment is purposely thrown in the way of Canadian craft, doing the like business in American waters. For instance, by a very recent regu lation, the shipment of Railroad Iron is prohibited to all ports out the port of Entry, in the Revenue District. Railroad fron cannot now tne District Port of Entry, and thence transpart of Canadians, and consequently serve as a protection to American shipping! Let Free hours, were rendered houseless. Trade Reciprocity, or whatever it is called, be Free Trade Reciprocity, but don't let it be

like the handle of a jug, all on one side. I observe that some gentlemen deeply interested in the matter, have been circulating sent moment to state to what amount. for general signature in Montreal, a Petit on to the Board of Public Works, to extend the not one of these parties is a Kingston resident, which in a malt r so highly important to that City's interests, is much to be wondered at and. deplored. I heartily hope, that a like Petition will be sent round to the various business men in Kingston, and that a successful move- thing to work upon, their assistance is of very ment will be made. As far as I can learn, little use to combat with the raging element. We your columns, my dear Whig. are the only ones agitating this extension in Canada .---Were the terminus of the Tug Line changed to the foot of Lake Ontario, it must be of the greatest advantage to the commercial pros- six months. A report is current that it was the eres. petity of Kingston. And, if the members of the City Council, instead of abusing you and me, my dear Whig, for speaking the truth, be given to Mr. Thomas Lawrason, for his pre-intentions. trade of the City they represent, it would be | House Square, thereby endangering his life, and the country between the Nuecce and Rio Grande. much to their credit, and take away from them severely injume hierself. We are happy to say Licut. Col. Harder, of the 2nd draggoons is to their justly-earned epithet of "Timber-

The people of Montreal, that is 40 say the merchants, seem greatly to regret the discontinuance of the "Through Line." It was just about becoming known and appreciated; Edmund A. #### CLAIMS AGAINST Department of Public Works:

'I'HE Commissioners of Public Works hereby give notice, to all parties interested; that, by an Act passed in the late Session of the Legislature, intituled, " An Act to amend the Laws relating to the Public Works of the Province," it is enacted that the Provincial Arbitrators shall meet within two months after the passing of the said Act, (10th August inst.) for the purpose of investigating and determining upon all claims filed in this Office within have duly notified this Department of the existence of their claims in general terms. but have neglected to comply with the Provisions of the Act 10 and 11 Vic., c. 24. which requires that the particulars of such sioners; such parties are hereby notified to forthwith send in the following particulars as far as it may apply to their several demands,

Commencement of, and duration of damage; by what Public Work supposed to be caused; quantity of Land damaged by, or taken for the use of such Public Work, and 'he estimated value thereof per acre, at the time the Land was so damaged or taken.

Date of Contract, and the several items in detail composing the amount claimed, with measurement of every class of work done. If there exists any other ground of claim.

state how and when the same has arisen, and the sum demanded as compensation therefor. It is requisite that all claims shall be forwarded to this Office within One Month from this date, in order that the Commissioners may be able to comply with the provisions of the Law. If claimants neglect to comply with this notice within the time thus fixed. their claims cannot be submitted for investi-

gation in the manner required by the Acts. Department of Public Works, Toronto, August 14th, 1850.
