LITERARY NOTICES.

Blackwood's Magazine for August, 1850 .-E. W. Palmer Agent, Kingston. Annual subscription three dollars.

Glorious old Ebony is always himself, hownew magazine, take delight in the amusing pages of the Dublin University periodical, and look with complacency at the "International," yet we all turn to Black wood for draughts of that intellectual pleasure, for which we monthly thirst, in spite of all the drink before us on the beaufet. The number for August contains one or two capital articles; - Free Trade is exposed in a masterly manner; and Ledru Rollin is handled without mittens .-"Blackwood" is also a little national, and devotes a couple of dozen of his pages to a well written essay on the "Baronial and Ecclesipatriotic in a dicade of stanzas to "Folly." Johnston. The number for September is a still better number than that for August. Sir Bulwer Mr. Craig for leave to open a street was under street was guaranteed to them. | late hotel in Great St James Street -- but, we Lylton commences a new novel, being the se- consideration.
