CO- NO SALE THIS DAY.

"Opifer per Orbem Dicor."

FRIDAY MORNING, NOV. 15, 1850.

THE CONVICT WEBB.

Two prisoners convicted of murder now lie in Kingston Jail-Webb and Matteau; the former to be executed on the 10th of December, and the other on some later day in the same month. In all probability, Matteau's sentence will be commuted to Im- | solatary intimation, and for which however idd prisonment in the Penitentiary; but from | dow their own decision, we nevertheless are thankwhat we learn, no present hope exist that a ful to them, that 'the final Report and decision like clemency will be extended to the culprit both the number of claimants and the amounts of Webb. On Sunday last, in one of the Epis- indemnity.' We should like by the way to un copal Churches of Kingston, and probably in derstand how they can know that as they inform more than one, the prayers of the Congrega- Report that the Commissioners will now be contion were solicited in favor of Webb, who is fined to the hearing of the claims in the second said to be very contrite and penitent. No class and to the judgment on both, observing in one can object to this act of common charity, man intelligence or industry can accomplish this and if through his own fervent solicitations within the time prescribed by the statute, and we or the kind intercession of others, this poor state the fact for the information of his Lordsh prisoner can obtain the forgiveness of his The reception of claims under the statute was heavenly Father, every feeling heart would | mited by it to the 1st May 1850. How the Comrejoice. But it is comparatively an easy task missioners are to get throng the business we know ther she was willing to have her body opened after not, unless the government by another equally nature of that tumor she assented. Accordingly some who have experienced immense relief from sinner. The difficulty is for man to forgive their relief. In the meantime those gentlemen. the Rebellion losses Commissioners, are faring remarkably well, having shared among themselves by way of compensation for the duties assigned them and for the expenses attending them and for the expenses attending their sittings of them and for the expenses attending their sittings was but thin, and that within it was contained a fully developed female child. So perfectly formed was the child in all its parts, that no difficulty whatever was found in deciding upon its sex at once, and from facts afterwards learned the mission. Mr. More pocketing for his medicine of an oval shape was removed. Upon sawing through diseases above mentionen; and as in the change was the child it was discovered that the ossified covering was but thin, and that within it was contained a fully developed female child. So perfectly formed was the child in all its parts, that no difficulty whatever was found in deciding upon its sex at once its introduction into Cana-

cle of a public Execution. A whole city is rate, that is 40s, per day or say £84 a week for punished and made miserable because one the six employees at this most prefitable job. It preparations for the expected little stranger; but TAR'S BALSAM OF WILD CHERRY as a punished and made miserable because one is difficult to imagine pillage more audacious than man having committed a shocking crime, the that carried on under this neferious act, of itself law deems the taking away of that man's misappropriating so large an amount of public molife an expiation of the offence he has edifying. For instance the is one claim of £19, above statement is one of simple facts. The most Address all orders to the general Agent Seth W.

and let every one who signs it remember, that him of the same description if equally profitably to And now comes the cream of the joke. Quite a does not ask for the pardon of the crimi-

VICTORIA FIRE COMPANY.

The annual meeting of the Victoria Fire empany, took place at the Firemen's Hall, were read and approved of.

The following members were elected to fill the respective offices for the ensuing year:

J. B. Rogers, Captain, F. C. Milo, 1st Lieutenant, Chas. Linter, 2d Lieutenant, W. Watson, Treasurer, H. Crumley, Secretary, T. Jackon, Pipe nen.
