ny, and naturally became on intimate terms navigation of the St. Lawrence, and justly classes. Yes it is the aversion entertained with the family. In April, 1849, the Company was stationed at a small island opposite ! Montreal. Here it was that Monroe first paid any marked attention to Miss Hamilton, third daughter of Captain H., then about the age of nineteen. He avowed his affection fer her, acknowledged his love; and not centent T with this, poisoned her mind against her famitheir affection, that her father thought harshly the university of Englishmen, and recognize church patronage in some fairer and more church patronage in some fairer and more ber.
