SMITH'S FALLS, RIDEAU CANAL, ?

Nov. 16th, 1850. MY DEAR WHIG, -

During the past three days of the present

and visited, although it is infinitely the most ston, one of its termini, many men of wealth and long standing reside, who have never seen more of the Canal than as wider from Cataraqui Bridge, or an inspection of the Locks at Kingston Mills! It was but the other day that I met with a Kingstonese of ten ! years residence, a public man too, who had ! just made his first trip along the Canal, and | " considerable inconvenience to the shipper. farm buildings, a sure criterion, I should say one horse in front. The business of the day second tier.—Another shower of sonnets fell from This is an evil so easily remedied, that the land is rich and prolific. What I saw was closed at the hospitable board of Mr. the amphitheuter and the excitement then subsided. Canal is the only explanation of its still (20 miles) was really good, and under most casion, evinced his zeal in the improvement of Canal is the only explanation of its still (20 miles) was really good, and under most the agricultural affairs of this country.

Esq., has at length awakened to fresh exis- vigation on this public work: tence. Possessing most ample water power; this advantage has been laid hold by an Ame- From Quebec we learn that a human brute junction with the Messrs. Anglin, of Kingston, Serie, has been convicted of common assault had rendered himself very unacceptable to the letters the great general impression, we should say direct from the most cerebrated Florists. The

and well filled stores, stene churches, taverus, and post-office; and being in the midst of a fine and fast settling agricultural country, it forms, — Montreal Headid.

The Rev. Daniel Murphy, a regularly-ordaned the Church of England, has been dismissed from his charge, as a Missionary of the Church of England in the Victoria District, near Belleville, because his family attended Methodist polished exterior."
