In Shell and Can-received Fresh from Ness York every day.

The following letter is deserving of notice as to THE VIRTUES OF DR. CORBETT'S SYRUP OF SARSAPARILLA!

MOST ASTONISHING CURE ON

It is from the well known and gentlemanly Conductor of the Concord Rail Road, L P. WRIGHT, Esq.

Such testimony is the most convincing, and Boston, Feb. 29, 1849.

EDWARD BRINLEY & Co .--GENTLEMEN :-- In May last 1848, I was prostrated for several weeks with an Inflammatory Brain Fever, which left me in a most weak and sceble state. A friend advised me to try a bottle of Corbett's Concentrated Sarsaparilla, which I did with the happiest results. Before I had completed the first bottle I was conscious of a decided present occupied by Lt. Col. Streatfield. Lealth. I have since used several additional bottles being one of the very best residences in the apparently stronger than it has been for years. To those similarly afflicted as myself, and indeed to all troubled with constitutional Debility. Loss of Appetite. Impure Blood, whether produced by actual sickness or otherwise. I can cheerfully recommend the Shaker Sarsaparilla, as, in my

opinion, it is the mest effective and health restoring Medicine known. Yours, truly. L. P. WRIGHT. Conductor on the Concord Rail Road. EDWARD BRINLEY & Co Druggists. sold by them and their Agents generally.
