WEDNESDAY MORNING, DEC. 4, 1850.

THE CONVICT WEBB.

We have reason to believe, from the best authority, il at the Executive clemency will that his Execution will positively take place on Tuesday next. We have no effected maudlin sympathy for the criminal-he has committed a most horrible crime, and no punishment is too severe for him. But we have an objection to the punishment of death, as not being sufficiently severe, and could have wished that Webb's sentence had been commuted to hard labor (in chains) for the re- summate commander, ank as generous as he was ever en the military mould. atracious of crimes, being punished in the and would hear of no mercy being extended to sembled round the frontier of Hesse Cassel, however, in good earnest, that there is every
