We are exceedingly well pleased with the remarks of the Montreal Gazette, hitherto opposed to organization. Our contemporary sees an earnest of good intentions of the part of Upper Canadian brethren, and willingly accords them what support he can give in noticing the movement favorably. Those of our contemporaries who seem to denbt the ability of the Association to carry out its aims, do it injustice in expressing fears at the outset. Thus far the public know nothing of the action of the Association beyond what the published resolutions show; therefore our contemporaries should have awaited the appearance of the forthcoming Consitution and By-Laws b which the members of the Association will be bound, a copy of which will be sent to every Editor and Publisher in Upper Canada. We need hardly say, however, that we are surprised at doubts being expresse as to the practicability of carrying out the views of the Canadian Press Association I see that you have been forming a Press | since there have been so many failures i Remors were current that the Chalens the inner part of the building.
