Springfield, Mo., April 7.
The overland mail, with San Francisco dates of the 19th, arrived here late last night. San Francisco markets of the 19th were without new features or change of interest. The Sonora, to-morrow, will take 400

passengers and \$50,000 in treasure. The Japanese steam corrette arrived here on Saturday, 7th, 40 days from Jeddo. She comes to announce that a Japaness quite common in Canada, though irregular the property is situated, upon such terms embassy to the United States will leave by the steamer Powhatan on the 15th Feb. ruary, via the Sandwich Islands and San Francisco. She is the first armed vessel belonging to the shores of that nation. She brings the officers and portion of the erew of the schooner Fennimore Cooper, recently

wrecked. There is nothing of special interest from British Columbia, Oregon, Washington Territory, or Sandwich Islands.

SIRGE OF THE CITY RAISED. - VERA CRUE, March 21. 3 P. M .- Changes come sa thick and fast that it is almost impossible to keep up with them. I have now to inform you that Miramon is in the act, at this moment, of packunder the same penalties for default as ju- discovered yesterday. It was a blind to induge the besieged to think he was renewing his efforts against the city, while he, in the meantime was preparing to be off. Thus ends the bombardment of Vera Cruz, with a terrible destruction of property from the effects of the fourteen-inch mortars. It will take mouths to repair, rebuild and put the town I the condition it was before. I regard this failure of Miramon's as the beginning of the end of his reign, if it is not already consummated, SAM HOUSTON FOR PRESIDENT .- A most ac-

the Charleston Convention to nominate Sam Houston, for the Presidency. The 'old line Union Whigs' declare, unreservedly, that if he be made the candidate, he will have their aualous support. We no not think, however, that the Charleston Convention will do anything a sensible as to nominate Gen. Houston. It wil adopt a platform which the old Texas here could not endorse. There is, a very great protubility-should the Churleston and Chicago Conventions make unsatisfactory nominations tint mam will be run as an independent
