John Montgomery & Son wish to have a good and respectable Partner, who could advance £100 for the fitting up of the fattory. He will be intitled to one-third of the profits arising from the Patent Right for any umber of years that may be agreed upon by the parties. The money will not all be required down now, but as the factory progresses. It will be a profitable investment

for so small a sum. John Montgomery will sell his Patentright to Towns, Municipalities and Countties 4 as it is particularly adapted for Farmers' Barns and Outhouses, which, when saturated with this solution, no fire can touch them.
