"Opifer per Orbem Dicor,"

WEDNESDAY MORNING, APRIL 18, 1860. THE ALARMING STATE OF EUROPE AND ENGLISH HOME NEWS.

The news by the Angle Saxon, applying | given to us. The Emperor of the French to continental matters, as well as to mat- may be magnanimous, and may yet falfil tors of home interest, is for important, and the hopes of these among us who stooped to in regard to the relations between France think with such motives. But it is not now and England, too startling, to give place to likely. It is an unhappy time to declare Provincial politics, or indeed, to anything | corselves slighted and betrayed. The Emelse. The debate of Monday evening, the peror has gained all his objects. He has 27th of March, in the House of Commons, crippled Austria neutralized Russia, and elicited admissions from Lord John Rus- conviliated Haly. We arise from our those who regarded the peace of Europe as have been deceived and that we intend to resting on a sure basis. The debate allud- trust him no more. The time is past when ed to, was brought up by Mr. Horseman, such a reproach or such a declaration would and at the conclusion of his speech, in re- have had weight. These bold words will ply, the Foreign Secretary uttered words of not make Napoleon III, relax his grasp upthe most startling import. We give that on Savoy, or delay him in the choice of the portion, of his remarks, which touches most closely on the actual condition of things: -

do not follow Mr. Horseman, in his dedy and fairly to the Freuch Government, trust. (Cheers.) I believe myself, that it, constantly telling him so. when the war was begun last year, the dimperor of the French and the King of Sardinia had said openly to the world, the King of Sardinia has to sustain a great war. against the Empire of Austria 2 be connet sustain it alone; the Emperor of the French has determined to help him, but the Einperor of the Erench expects, and has stipulated by treaty with the King of Sardinia, that if the territories of the King are much Flanigan, Hamilton, Livingston, Loan, increased in Italy, that portion of the ter. McCammon, Wilmut; Coun. Creighton, thews, left limits. ritories of the King close neighbouring on Fee, Hyland, Eldall, Parker, Pidgeon, France and on the French sale of the Alps | Robinson, Weyms, Yates. shall be given to the Emperor of the French' (Loud cheers.) -if that bargain had been declared. I will not say what Mr. Loan, permission to deposit building mount of indignation would have been enterthined in regard to it; but I must say, tooking to the circumstances with which it has been attended, sespecially after the office as City Engineer.-Resignation acelectaration of the Sardinian Government cepted, and John C. Innes, Esq., was apthat they would neither sell, exchange, nor pointed City Engineer. surrender territory--(cheers)-the course distrust in this country-(cheers)-and I ments, recommending the appropriation for ary, I have no objection now to reneatthat such an act as the annexation of Savey is one that will lead a nation so warlike as the French, to call upon its Government rom time to time to commit other acts of aggression -- (hear, hear.) -- and therefore do feel, that however we may wish to live on the most friendly terms with the French Government -and certainly I do wish to live on the most friendly terms with that | Repairs to Montreal Road Government--(cheers)-we ought not to Phinkwalk to Johnston-st. School. 100 00 keep ourselves ap art from the other portions of Europe - (loud cheers from both sides of the house)-but that, when future questions arise—as futore questions may arise—we | ments. should be ready to act with others, and to declare, always in the most moderate and Allen, friendly terms but still firmly, that the settiement of Europe, the peace of Europe, is expended by the City Engineer, under the a matter dear to this country, and that set- direction of a majority of the members tle nent and that peace cannot be assured each Ward, and not otherwise, and that if it is liable to perpetual interruption - each ward choose a chairman from among
