HUMORS.—We know of nothing more trying to the patience—more aggravating to the feelings, or more painful to be borne, than a humor breaking out in boils, or internally causing a canker, exhibiting itself in the Erysipelas, or eating into the very bone in the form of Scrofula. But thanks to all-wise Providence, direful as these afflictions may be, a sure remedy has been found—a healing portion is within the grasp of all. Kennedy's Medical Discovery comes like an angel of mercy to the afflicted with healing in its wings; and there are thousands at this moment whose blood, a few months since, was corrupted by humor, but now flows purified through their veins. We do not hesitate to declare this the greatest uprooter of humor ever known. 85

MRS. WINSLOW,

An experienced nurse and female physician, has a Soothing Syrup for children teething, which greatly facilitates the operation of teething by softening the gums, reducing all inflammation—will allay all pain, and is sure to regulate the bowels.—Depend upon it, mothers, it will give rest to yourselves, and relief and health to your infants. Perfectly safe in all cases. See advertisement in another column. 214-d&w.

HOW TO PRESERVE BEAUTY.—Nothing is more becoming to a man or woman than a beautiful luxuriant head of hair, and a woman's beauty is certainly incomplete without a fair complexion, and he or she who neglects these great and important adornments of nature must expect to suffer the mortification of premature baldness, and a wrinkled face and a sallow skin. Nothing is necessary to preserve these essential attractions but the use of Prof. Wood's Restorative.—[Louisville Times.

PROF. WOOD'S HAIR RESTORATIVE.—We have had occasion to use this famous preparation of Prof. Wood's, and after thoroughly testing its qualities, we find that where the hair is thin it will thicken it, if gray it will restore it to its original color; likewise, it gives a glossy appearance, as well as keeps the hair from falling off. This invaluable ingredient is for sale at 'Chinaman's Tea Store,' south-east corner Frederick and Baltimore streets, by Mr. J. C. Given.—[Baltimore Clipper.
