Quebec, May 2nd, 1860. The history of the debentures of Victoria too, and that only half the amount required

THE NEW LICENSE ACT .- The new License Act adds £3 to licenses for Houses of every class. The sum is not large; and the respectable Houses do not object to to it on this ground; that while not mor than half last year's licenses have been renewed, the number of gree selling shop Thus in the first place, as applies to Queof the place cannot be held responsible they are made in every part of the city The Act may not be wrong; but surely the execution of the law is exceedingly imperfeet, and the matter ought to have the im-

5.000 receivers of stolen goods, 15,600 gamb lers, 25,000 beggars, 30,000 drunkards, 186 do fancy the state of society that would exist

New York Markets.
