ALMOST EVERYBODY HAS HEARD OF Woon's HAIR RESTORATIVE,' That the word . Restorative, in this case, is no misnomer, we have the testimony of individuals whose elevated position in the country, as well as their acknowledged and whatever they publicly assert in the last degree reliable. Several of these have tested, personally, the hair preparation we are now speaking of, and certify to its amazing efficacy in the most public manner possible. Their certificates can be see at the proprietor's Depot, 312 Broadway, New York, and once seen and properly appreciated, we have no hesitation in saying they will impress conviction on the mos skeptical mind. Wood's Hair Restorative is, doubtless, the best article of its kind

. . . . It does not dye, but gives life, health and beauty to the decaying, falling and dead, restoring, as if by magic, that which was supposed to be irrecoverably lost. Heads nearly build, and others nearly white are daily being changed to their pristing beauty, and faces covered with pimple are rendered as smooth as an infant's, a blushing as a rose, all by the use of Pro
