"Opifer per Orbem Dicor."

FRIDAY MORNING, JUNE 1, 1860.

MISSIONERS AND THE CANADIAN

MAIL STEAMERS.

THE LONDONDERRY HARBOUR COM

solicitor, Belfast, arrived there.

At a dinner given to the deputation, at To the Editor of the Times : which the Mayor presided, after the usual loyal toasts, the Chairman proposed the paper of May 7 of the letter of Tom Sayers, Mr. Guthrie for President, and Erastus Cor-

health of the Hon. Sidney Smith, with all I have endeavoured by every means in my ning for Vice-President. The Hon. Sidney Smith responded to the | way, guaranteed by the presence of the tonst, and stated the desire of the Canadian | editor of Bell's Life, whether he intends to Government, of which he was a member, abide by the date recently fixed for us by was to establish clearly the superiority of that gentleman for the champion's belt and the St. Lawrence route over all others, as the St. Lawrence route over all others, as takes. The editor of Bell's Life in view of the channel of communication between the channel of communication between the sentiments of that letter, acknowledged form all parties concerned, that the amounts disease wherever it has met it, and restor-Europe and America. With this object the propriety of such inquiries on my part, ground in consequence of Italian discord, interval. In that event, the ministerial Sutton, Fingal; E. Wood, Fingal—total, form all parties concerned, that the amounts disease wherever it has met it, and restor—in rich propriety of such inquiries on my part, ground in consequence of Italian discord, interval. In that event, the ministerial Sutton, Fingal; E. Wood, Fingal—total, form all parties concerned, that the amounts disease wherever it has met it, and restor in view, they had established a line of first- and also of such proposed official response but in the day of Samnites and Marti, uni- sectional minority, we feel confident, 19. lass steamers, which were now running on the part of Sayers, and did what he ted with the brethren of Sicily, you shall would be exchanged for a majority—enbetween Liverpool and America touching could by letters and telegraph despatches to join the Italians of the North.
