A member of the house, named John C. four trains daily for the accommodation of lum-The Russian troops in the Southern Pro- | Leeseps' enterprise. In a tour he made | crop will be very large.

The Earl of Granville moved the second reading of the Bill, and explained that there would be ample resources in the exchequer to meet the loss of the duty. He appealed to the House not to set an objectionable precedent by threwing out a money Bill which had the deliberate sanction of the House of Commons.

INDIA.

The inhabitants in Montenegro were all prepared to take up arms to support a general revolt against the Turks.

The Porte questions the competence of the Powers to institute any inquiry propositionable precedent by threwing out a money Bill which had the deliberate sanction of the House of Commons.

INDIA.

The only political news has reference to Lord Levidhurst admitted that the House for the properties of the commutation of seignorial dues, chiefly at the expense of Upper Canada,) but that many of the old farms are now so subdividing others apprenticed and put to trades; but the commutation of seignorial dues, chiefly at the expense of Upper Canada,) but that many of the old farms are now so subdividing some into the country as farm servants; getting others apprenticed and put to trades; have withdrawn from the 'Chicay' hav tuo, asked the colporteur if he would have i
