FALSE

And the maze of her gelden hall , like gleams in the darkness That closely encircles her there-And the stars seem upbraiding her sadly, As they gaze on the snowy breast, That beaves with an inward struggle. With a vague and a wild unrest.

She plighted her troth : she has broke it: Her deep yours are sundered for e'er, The darkness shall harbor her secret, Her love that is shattered in air :

A puppet is here to adere, simpering greature of tashion. To cherish and love evermore.

The breeze with a rippling murmur, S nds music to sweeten the night, The flowers are charmed in their slumbers And dream of the morn's golden light! While she bears but a jungling clamor Of walizes and polkas-a din That echoes the strife in her bosom, And wakes the regretting within.

Again she is whirled in the ball-room. Mid its gaudy glitter and light. And her life seems as false as its tineel, And dark as the fathemless night; And cold seem the dread stars above her, As they gaze on that bosom of snow! And colder the night winds around her, Made chill with dark hints of her woo.

Oh, enter thy lonely future, With a heart that is callous and cold, And pass through a show of existence, Surrounded with glare and with gold; The post may gather the sunshine, And fold to his heart fairest flowers, But toe falseness of life makes the shadow a
