THE MASSACRES IN SYRIA.

great interest :-

went into the city and there ransacked all address : the warehouses and shops belonging to the To His Royal Highness, &c., &c. arrived from Damasons yesterday, pillage soldiers that went with Mahmer Pasha, the | Sovereign and the Canadian people.

Moslem mob of Damascus took place, and | English. The reply is as follows :-tween priests (Franks as well as natives). | kindly interest in me as her representative | Crown of England. They are evidence of and injudiciously distributed.

ING THE SPEAKERS, &C., &C., &C.

WORTH KNOWING. - Prof. Wood, whose that the Prince was leaving the Governor First the Sergeant. Mr. McDonald, with the world has seen. We view it rather as log his visit to Canada. His Royal Highness at the Crystal Palace the most magnificent rate of exchange at which the time could fvertisement will be found in another col-ame, has discovered a remedy for the gray quarters in the palace prepared for him. The difficulties the Rell Committee the and bald, which is at once practicable and less appearance, in due and ancient form. Next Mr. Speaand baid, which is at once practicable and cheap. It requires no dyeing, no wig, nor extraordinary trouble. There can be no who lined the streets. It rained heavily robe, and the rest of the Commons in compatent, and therefore the crown will act in the streets. We have all the time. But the streets and process of the country and her Canadian off-shoot, and as a country and her Canadian off-shoot, and as by giving the accolade. Honours of a higher had to encounter have really been fearful. There can be no who lined the streets. It rained heavily robe, and the rest of the Commons in compatent to treat a country and her Canadian off-shoot, and as whatever of its efficacy. We have all the time, but as his Royal Highness more dress-tail coats, white cravats, gloves and more over, we prize the more highly those cases through the Secretary of State, as at Quebec, who, abandoning Kingston at married the property, and has since so asand from means of great intelligence, high brilliancy of their uniforms was by no tanding and moral worth.

The Ministers, of course, wore their uniforms was by no tanding and moral worth.

The Ministers, of course, wore their uniforms was by no tanding and moral worth.

The Ministers, of course, wore their uniforms was by no tanding and moral worth.
