Loss of the Lady Elgin. BUSPATCH TO SUPERINTENDENT MICE.

R. N. Ricz. -- Thirteen persons were saved in the first boat and four in the second, being the only boats not swamped. About fifty perso were saved by floating ashore on pieces o wreck. Before I p.m., all in sight had got ashore. The three tugs lay outside two or three miles, and it could not be seen whether they picked up any or not. Probably they will save some. Mr. E Smith, of Ontomer was on board t he says Capt. Wilson behaved with the greatest coolness and bravery through out. After they were struck, and it was found they must sink, being ten miles from shore, he headed her on, and ordered the passengers to get life preservers, and the crew to break open all the state-rooms and rescue the passengers. cane deck and top-hamper affoat. This soon site Wincatka, the surf capsized them and broke up their raft, and all but eight were drowned-Capt. Wilson among them. When it became light four rafts were in sight, and a great many finating on pieces of wreck. Capt. W. called to the rafts, and inquired if bis Southern friends were among them, meaning Col. Lamsden and family, but they were not to be found. David Eviston of Milwaukee, saved himself and wife. He was seen by those on shore to lose her twice from his raft, to leave it and rescue her, and at last got ashore, both nearly exhausted. Mrs. E. is the only lady

No accurate list or number of persons on board can be given, but the following estimate is nearly correct :- Excursion party, three crew, thirty-five; total, 385. Of these, but

The Lady Elgin was built in Canada about nine or ten years ago, and named after the wife of the then Governor General of British Much merciment was caused at the levee by heart-stirring scenes which last night properson get on it after I did. The large It appears that in this case the respondite boat, and went on three or four excursions on the back of which was written his address. enthusiastic loyalty of The city of Toronto, spoken, now began to separate. I then der to gain one-half of the fine, turned in- construction the Lady Elgin was employed in While bowing, he stumbled, and was only that it is a relief to my mind to feel that I can, left the piece I was on and got on a large fermer on the appellant, who, it seems, was the Canada traffic of the lakes, and carried the saved from a heavy fall upon the Prince's person by the friendly hand of a bystander. When gentlemen from Kingston or Belleville were presented, the Prince was particularly gracious in his salutation.

In this a reflect inty think to test that to all the piece I was on and got on a large without any sacrifice of duty to the Prince of the hurricane deck, on which there of Wales, accept the apology which is of in plain and legible characters in some fered by your letter received.
