ACCIDENT TO MR. PENNEFATHER. Mr. Pennefather, the Governor's Secretary, came very near death on Thursday evening. at Detroit. He had just landed on the wharf, among an immense crowd, when the horses attached to a carriage became frightto believe that his Excellency, now in ened, and dashed off, the crowd gave way before them, and Mr. Pennefather was thrown into the water. Three times he sank, the last time driven down to the steamer's paddle, but as often rose to the surface, with his despatch still in his hand,

and was finally rescued by the bystanders. The County of Brant, already famous as one in which superior wheat-the staple article of produce in the land-is grown has again carried off the Canada Company's \$100 prize for the best twenty-five bushels of wheat, for which there were more entries than on any former occasion-there being twenty-three competitors for the also to find that we are progressing as a bition of 1860 three of the agriculturists of the County of Brant carried off four premiums for the article of wheat, and for which the competition exceeded that o any previous year. And may we also congratulate our successful competitors on this. occasion. The following are the names of the gentlemen who have been so fortunate First prize, Mr. Henry Moyle, Brantford Township; second, Mr. John Sutton, South Dumfries; third and fifth, Mr. Thomas

Turnbull, Glenmorris. We must not omit to state that the sample shown by Mr. Moyle weighs 664 lbs. to the bushel, and the berry is extraordinary
