His medicines are universally admitted by the American press to be far superior to all others for causing the hair on the head f the aged, that has been silvered for many years, to grow forth with as much vigor and luxuriance as when blessed with

the advantage of youth.

There can be no doubt that it is one of greatest discoveries in the medical world. It restores permanently gray hair to its original color, and makes it assume the beautiful silky texture, which has been very desirable in all ages of the world .-St. Louis Morning Herald.
