FALSE PRETENCES .- The pelice have in custody a man named Henry Ruttan, who is accessed of obtaining money under false pretences from Mr. William Ford. R appears that a few days since he called upon Mr. Feed, who owns a tannery near the city, and represented that he had a load o bark near Kingston Mills which he was desirous of selling, but that he had not enoug money to pay the tolls to fetch it through The simultion has become much more and asked an advance of \$10. The barserious than before. It was believed that | gain was completed and the advance was trophe to the 'Garden,' appears to have English residents besought Lord Reafsew the absence of the Ministers of War and of readily given by Mr. Ford, who did not fee fully understood the moral influences and to receive at their hands some peculiar the Interior, M.M. Fanti and Farini, would a moment doubt the man's word. It was token of respect, independently of the more last several days, and general surprise was subsequently discovered that the story was occasioned this morning by the news that an entire fabrication, and Ruttan was con-They in the first instance tendered a grand ball, which was at once declined by his proceeded direct from the station to the the police court Tuesday morning, but the
