"Opifer per Orbem Dicor." SATURDAY MORNING, SEPT. 29, 1860.

THE CONTROVERSY IN TORONTO. There has been since the visit of the Prince to this city a general desire among | 2nd its Protestant inhabitants that some public | 3rd expression of opinion should be given on the events connected with that visit. The lat feeling does not only exist among Orange - 2nd men alone-it is shared by all elasses. - | 3rd Various meetings have been held of a preiminary character, having in view a public assemblage of the whole citizens .--Knowing in what direction the current of 1st prize, David J. Walker pinion runs, the friends of the Ministry 2nd have been constant attendants at these meetings, and have made the most strennons endeavours to screen the Cabinet from The Ministerialists are not numerous in Toronto; but few persons have 1st taken part in these meetings, and though Mr. James E. Smith, Mr. Registrar Sherwood, Mr. Crier-of-the-Court Fleming, and dmiral Moodie would make but a poor how in the St. Lawrence Hall, in a tavern back parlour they make quite a splurge.-The great object of these Ministerial satelites is to confine the expression of public dignation to the Duke of Newcastle. useless to point out to such persons that t was the Governor General, the Executive lead of the Canadian Administration, who rranged a lurge portion of the Prince's pro-neults in Lower Canada -- who treated the 1st asons so discourteously at Ottawa, and finally gave his orders to the Mayors of Kingston and Toronto to exclude the Orangenen from all participation in the procession; HELFERS-2 YEARS, 1 YEAR & CALF-1860. 4th and the members of the Ministry are fully 1st & 2nd prize, John Boyes..... 5 00 5th nonsible for the Governor's acts, if they let & 2nd " John Boyes. 4 50 let ot care for the facts of the case. Most of hem are in the pay of the Government, dread the advent of a new administra- 1st prize, John Flanigan......\$4 00 How shall they avert the blow of an | 2nd aditional condemnation of the Cabinet | 3rd by the people of Toronto ? If we are rightinformed, they have prepared a requisi- | 1st tion, in which they expressly define the ob- 200 fect of the meeting to be the condemnation
