A SILVER MINE NEAR SHERBROOKE. -The mining excitement which has prevailed so extensively in Shefford and Richmond Counties for the met six months, tids fair toextend to this section of the Townships-a zich silver mine, we are informed, has been discovered by Mr. Charles Page, about a mile east of Sherbrooke, on land belonging to his wife. How valuable it may prove to be, time must determine. At all events his wife has disposed of the claim for 99 years for one thousand dellars, and seven per gent, of the product hergafter to be realized, and has received a part down, and is to receive the remainder as soon as the mine is ovened. The Acton Company are the purchasers. We have heard of several specimens of copper having been found in different localities, in this section, but nothing as yet, which promises to be valuable. Detached portions of copper ore appear be distributed pretty freely over the Townships. Some amusing anecdotes are telated of the excitement now prevailing north of this, respecting copper discoveries. shrewd explorer recently procured a fine specimen of Acton copper, and taking it a speculator in copper mmes-said tehim-Is not this a fine specimen ? The have been in the water about three months. no doubt his contributions will have decided on Wednesday afternoon, thereby evading jection to the motion as to Ald. Flanigan's, following was the state of the poll at the There was nothing about the corpse but a intrinsic interest, and certainly the spectacle of the crowds assembled to receive him, and Soulougue, the ex-Emperor of Hayti, lives in

The following is the reply to Mr. Bonner's Kingston, Jamaica, in mean and wretched poverty, and spends most of his time in gambling with a few low Haytien renegades. Great excitement has been caused at St | mail.

cordance with the decision arrived at by the 3rd inst., and shall most cheerfully comply Germain, France, by the discovery of a the Press Association at its annual meeting; with your request and furnish you a sketch of double crime in that town. A retired offi- F. LaSerre, and G. S. Hobert, in Kingston and a strong demand for its repeal will be the life of William Lowndes, as soon as possicer, named Carpentier, residing in the Rue Northrop & Lyman, Newcastle, C.W.

WRETCHED BOMBA. - I hat poor, wreicheds Bomba appears to have done all in his powmior, as complete as possible. He signed an order on the eve of his flight, directing Naples, and instructing the garnson Castel dell' Ovo to blow up that fortress when Garibaldi made his entrance into the capital. This order has been will be published by Garibaldi. Officials documents have also been seized, showin We understand that Sir W. F. Williams, that the Intendenti had received orders to Commander of the Forces, leaves this city release the galley-convicts so that they

The Potato disease in Ireland is again a sulfrom the Province of Sir E. Head, who we | thought that not an eight of the quantity sown would be realized.
